We are excited to invite Girls Ministries (GM) leaders to join the Royal Ranger leaders at EMPOWER 19. Both ministries have the same mission, which is to mentor students and help them to grow up to be disciples of Christ. There will be combined training and sessions for both ministries' leaders and gender specific sessions for Ranger leaders and GM leaders as well.

EMPOWER19 will continue to build on the momentum that has been established over the past 27 years and provide anyone involved in ministry the opportunity for great training, excellent fellowship, and a time of spiritual renewing. This year we welcome National Royal Rangers Director, Karl Fleig; National Girls Ministry Training Coordinator, Jen Whalen; and Rev. Michael Petrucci as our guests. We will hold a World Class Outpost Seminar and encourage the GM Leaders to participate in this outstanding seminar as well, since we will have certain breakaway sessions designed specifically for both ministries' leaders. Everyone in the family is welcome, even if you are not involved in ministry – so bring the spouse and kids! The regional staff and our national ministry representatives look forward to seeing you in Harrisburg, PA in January 2019!

Yours in Christ,

Dwight Walters

TOP 5 REASONS TO ATTEND EMPOWER 18

1. Learn to Be a Better Leader

Training is one of the core focuses of the EMPOWER Conference. The students need us prepared for whatever comes into their lives. Let's make sure we are doing everything we can do to be trained and ready.

2. Catch Up With Old Friends and Meet New Friends

Some leaders have known each other for many years. This is your chance to gather with those who have the same passion and meet someone new! After all, we are in this together!

3. Be Part of Something Big

You are not alone in what you do! There are Ranger and GM Leaders in your area, district, region, and even all across the USA who have a passion to **Mentor Future Men & Women**. Explore what EMPOWER has to offer.

4. Incredible Worship and Speakers

Sometimes we get so carried away with the task that we forget why we serve. The spiritual focus should never be forgotten. Join us for a time to worship our Lord and our Creator and be inspired by our guest speakers and musicians.

5. You Never Know What Might Happen

Although we strive to provide you with enough information about EMPOWER, we like to keep a few surprises. You will have to show up to see what happens. Don't miss out!

EDUCATION SESSIONS CONT.

SATURDAY SESSIONS

Heart of a Leader*

How often do leaders prepare everything but the most important aspect of leadership? The heart of a leader may be the most important element of being prepared for weekly ministry. Discover perspectives of heart preparation that will inspire you to do ministry in a new way for the rest of your life.

Maximizing Your Ranger Staff

Does your outpost have a procedure for ensuring that the right staff are in the right place? How do you recruit & keep leaders? This workshop will identify and review the crucial steps necessary to creating and maintaining an efficient Royal Rangers staff.

Ministry to the Whole Child*

Did you ever wonder why your preschoolers can't remember what you just said or why your 6th grader is always in a different mood? Children go thru different characteristics at different ages. We will look at those and talk about what they mean to the spiritual growth of the child

Proper Discipline in Your Outpost

We've all experienced one boy in our group who is just out of control. His actions disrupts the entire night and the meeting seems like a total failure. What do we do? This seminar will help leaders with practical methods of proper classroom discipline. Learn to control the classroom rather than the classroom controlling you!

Ranger Kids (RK) Activities

Each age group within Royal Rangers meet the unique needs found in the boys in those groups. Learning how to plan for those specific needs will bring you greater success in your outpost group. In this session, learn about the types of activities boys in Ranger Kids can do outside of the outpost meeting and how to plan them.

Using Girls Ministries Curriculum to Communicate

The key to curriculum is knowing how to use it. NGM Leadership Development Coordinator, Jen Whalen, will help you identify key elements and resources that can enhance your club time.

Developing a Missional Lifestyle

Penn-Del District GM Director, Sharon Poole, will discuss practical ways to empower girls of all ages with the passionate heart of our Lord to reach others for Him.

*These sessions are designed to benefit both Girls Ministries and Royal Ranger leaders.
